

COASTAL REACH

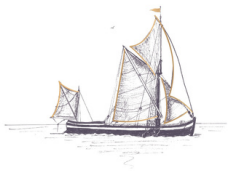

Here at the OAKhouse we are proud to stock the Coastal Reach range, exclusively produced by our friends at Grape Passions.

Coastal Reach is an English brand renowned for its quality, using products sourced within reach of England's Southern coastline. You can enjoy a refreshing, aromatic Bacchus, a delicious off dry Pinot Noir Rosé and a smooth, citrusy London Dry Gin, infused with sea buckthorn; we even have some fantastic Gin cocktails to whet your whistle too.

The iconic barge on the logo was actually drawn by one of their team. One afternoon by the coast, watching the boats bobbing peacefully by the shore, Sharon sketched a Thames sailing barge. The sketch was enhanced and is now emblazoned on each of the product range.

Our House Gin is best served with Fever-Tree @ Mediterranean tonic and a wedge of orange to enhance the Gin's citrus characteristics.

Please see overleaf for our range of drinks.

Low & No Alcohol

Spirits

Rebels 0.0% is a Swiss operation based in Zurich founded by Christof & Janick who realised that it is always the last drink of the night that you regret the next morning, and that there is often a lack of exciting alternatives to alcohol. Rebels is not anti alcohol, it just wants to give consumers interesting non alcohol options when they don't feel like drinking alcohol. Rebels spirit alternative range is double distilled to create added complexity and flavour, and its botanicals are all organic.
